

PE and Sport Premium Allocation: 2019-20

Total amount of PE and Sport Premium received	£19520
---	---------------

Rationale

We believe that physical activity is essential to a child's well-being and through our provision we aim to:

- foster a love for and enjoyment of being active;
- develop 'fitness for life' through promoting the health benefits of regular exercise;
- identify talents;
- develop self-esteem, confidence and social skills;
- contribute to the physical development of each child;
- give children a way of expressing themselves and an opportunity to be creative;
- develop a range of skills that can be applied in other contexts; and
- give children the opportunity to try out activities that they would not otherwise have access to.

Curriculum Focus of PE and Sport Premium spending 2019-20

Considering what we know about pupils' involvement and in sport at Columbia and our provision we have identified the following areas we would like to improve:

- extend involvement in sports clubs across KS2 so all children attend at least one sports club over the course of a year;
- develop staff expertise in PE teaching;
- support children to swim 25m
- develop competition within and across schools; and
- give more children experience of adventure learning.

Nature of support 2019-20

This year we are using the grant to:

- increase the number and range of sports clubs (£6800);
- employ a specialist Sports' Coach (£6350);
- provide swimming lessons to children throughout year 4 (£10500);
- increase the amount of opportunities children have to be involved in competition; and
- increase our school journey offer to include years 4 and 5 (as well as year 6)

Impact of support 2018-19

- Clubs on offer – hockey, basketball, football, gymnastics, dance, archery and fencing.
- 87% of children in key stage 2 attended at least one sports club for half a term (a 10% increase from the previous year)
- Sports coach supported the teaching of games in all classes across the school for at least half a term.
