

REFUGEE

This is a topic about how Jewish people were treated by the Nazis before and during World War Two and about those who helped them. We will also make links with people who are refugees today.

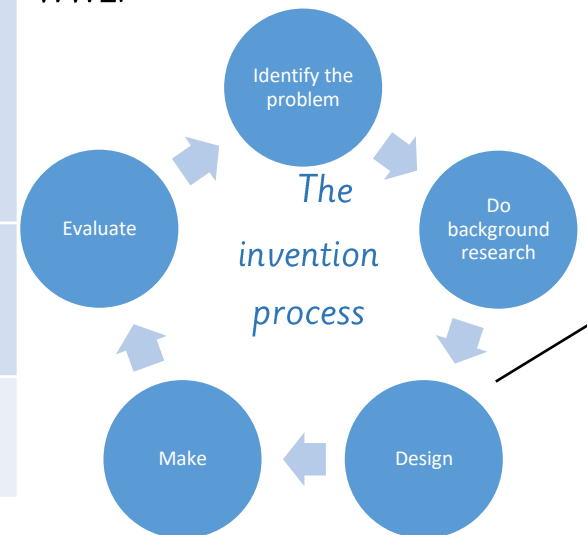

The morse code machine was used to send important messages during WW2.

Word aware

prejudice	To have an opinion about someone that is not based on real evidence or reason	Shabbat	Shabbat is an important day for Jewish people. It is a day of rest and celebration that begins on Friday at sunset and ends on the following evening after nightfall.
