Números Splat!

You need:

3 people, paper, pen, scissors and 2 things to splat with (I use fly swats but hands are fine!).

How to play:

1. Write the números you want to practice on the paper and cut them out in to squares.
2. Lay the números on the floor face up and jumbled.
3. One person is the caller, the other 2 are the splatters.
4. When both splatters are ready (*listo*) the caller calls a número out in Spanish. The aim is to be quick (*rápido*) to splat the correct número.
5. Repeat till all números practiced.
