Advice to Families - Possible Case of COVID-19

Dear parents and carers,

We have been advised that a child in Pearl Class has tested positive for COVID-19 with a lateral flow device. We are still waiting to see if they test positive on a PCR test.

Your child does not need to self isolate unless they have the symptoms of COVID-19. However, we advise you to book a PCR test for your child (see below).

The symptoms of COVID-19 are:

- a new and continuous cough
- a high temperature
- a loss or change of smell or taste

If your child or any member of your household have any of these symptoms:

- The person with symptoms must self isolate;
- You must request a testing kit for the person - <https://www.nhs.uk/ask-for-a-coronavirus-test> or phone **119**;
- When you have the results of the test, follow the advice from NHS Test and Trace and inform the school.

If you have any questions about this, please email the school.

With best wishes,

Oliver Woodward
