

Yummy in my Tummy

We are learning about different kinds of foods and where they come from.

Dear Parents/carers, here is some learning for this week.

This week we are learning about **milk**, **cheese** and **eggs**.

Talk to your children about milk and where it comes from- cows, goats and nuts. You could taste some cheese. Talk about where eggs come from- hens and ducks.

Hello children, some of your teachers aren't feeling very well.

We are getting better as soon as we can so we can all be together again soon.

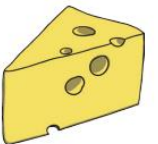

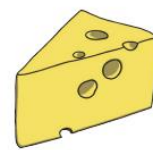

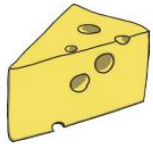

Best wishes Kelly, Michelle, Reema, Shaila, Sheli and Nilufar

You can send us photos of the challenges you complete each day to
