February 2022

Year 6 Spring 2

Dear parents and carers,

I hope you had a restful break.

This half term we will be continuing to support children with their upcoming SATs exams.

We will be continuing to:

- provide booster sessions before school. If your child attends a booster session, please make sure they arrive ready for an **8:30am start**.
- work in smaller groups to target our support.

In addition to the above, we will also:

- send children home with **one maths question each day**. This will begin next week. We would like children to complete the question at home and then bring their work in the next day. We'll be going through the question in class. Each question should take no longer than 15 minutes for the children to complete.
- increase our number of maths, reading and SPAG sessions to include short afternoon sessions.

In addition to the above we are also excited to begin our Odysseus topic in which children will learn code and to continue with PE.

If you have any questions about this, please let me know.

With best wishes,

Amy
