

## ***Friends of Columbia Coffee Morning.***

***Friday March 25th 9.10am***

*A great opportunity for parents and carers to meet each other and be part of our school community. There will be tea, coffee and cake. We will also be joined by the wonderful team from DK-CM Architects (thanks to fellow parents Cristina and David!) who are leading the co-design on the so-called 'Parent Room' in school. They will share the great ideas the children have come up with to improve this room and invite you also to be involved in the consultation. We look forward to seeing you!*
