

ODYSSEUS

Odysseus is a topic all about Ancient Greece and one of the heroes of Greek mythology, Odysseus.

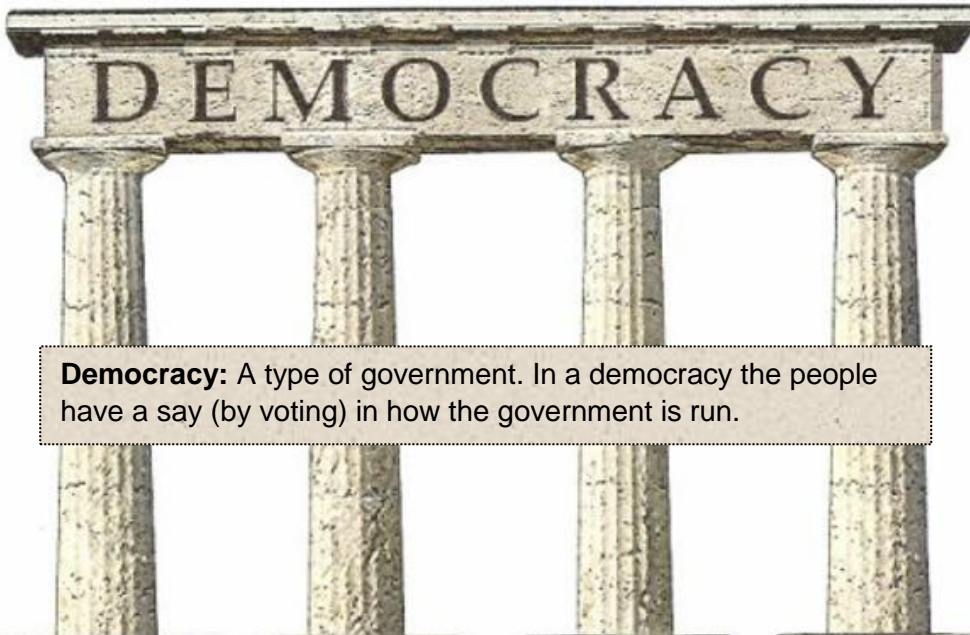

Much of the way we live today comes from Ancient Greece. The Ancient Greeks were the first to create **democracy**. They also held special sporting events at Olympia- **the Olympic Games**.

Coding is telling a computer what actions to take. It is used to create apps and websites.

Primary Sources are writings and objects that were created by people living at a certain time.

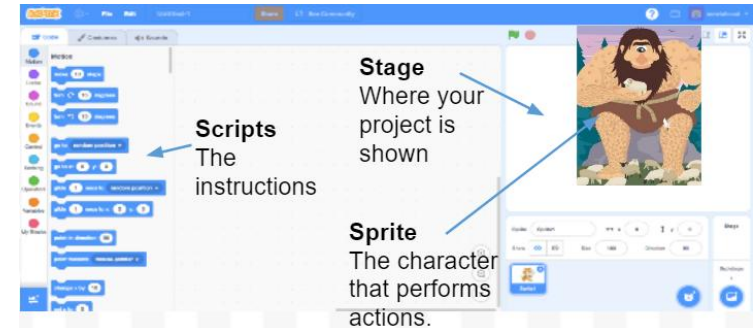

Democracy: A type of government. In a democracy the people have a say (by voting) in how the government is run.

Law: A set of rules that people in a country must follow.

Representative: A person who acts on behalf of other people.

Trial: A meeting in a court to decide if a person is guilty of a crime

Government: The group of people who run the country. They make the laws.

Ancient Greece was 700-480 B.C. This is about 3000 years ago. Ancient Greeks lived in many islands around the Aegean Sea.
