

Dear Parent,

The school health team would like you to sign up to our portal so you can read about the upcoming Health screening for your child and allow us to send you results of screening and helpful health and lifestyle information. You will need an email address to do this.

Dear Woolmore Parent

We would like to re-introduce ourselves as your school health team. We work across education and health with the aim of improving the health and wellbeing of children and young people. Poor health is known to impact greatly on a child's education and future outcomes.

As your child is now in year 6, we would like to find out if there are any areas of their health and well being which we could support them with. Please find below a link which will take you to our parent portal, once signed up you will have access to a health assessment questionnaire which you can fill in together.

It's important that once signed up, you keep hold of your Username and password. The parent portal will be used to share information with you regarding your child's health and wellbeing, as well as the results from any health screening.

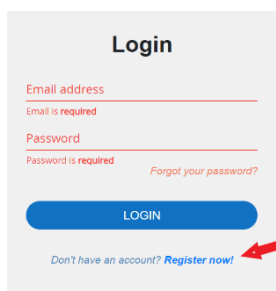

<https://app.schoolscreener.com/Portal/#/Towerhamlets/p/thh33/100928>

In the portal you will also find information about the National Child Measurement Programme (NCMP) which is something that young people in year 6 take part in each year. This information will tell you how you can opt out of this specific programme should you wish to do so. Please see below a direct link to the NCMP information and opt out.

Step one

Please click on the link provided in the letter or text sent out by the school.

You can do this on most mobile phones or a laptop/ desktop computer.

You should then press the link that says register now!

Step two

Parent registration form

Back

First name * Last name *

Email * Confirm email *

Phone number 1 * Phone number 2

Accept [Terms & Conditions](#)
