Dear Parents/Carers,

Last year, the government introduced a new statutory Relationships and Health Education curriculum. The purpose of the curriculum is to help your child learn how to make informed decisions about their wellbeing, health and relationships as well as preparing them for a successful adult life.

Over the coming weeks, we will be delivering some lessons for this curriculum to the children from Year 1 – 6.

You can see what is being taught in your child's year group by following this link:

If you have any questions regarding this please make an appointment to see Olly to discuss it further.

With best wishes,

Shah Yusuf Ali and Eleanor McClune
