

## PE and Sport Premium Allocation: 2022-23

Total amount of PE and Sport Premium received	<b>£19510</b>
---	---------------

### Rationale

We believe that physical activity is essential to a child's well-being and through our provision we aim to:

- foster a love for and enjoyment of being active;
- develop 'fitness for life' through promoting the health benefits of regular exercise;
- identify talents;
- develop self-esteem, confidence and social skills;
- contribute to the physical development of each child;
- give children a way of expressing themselves and an opportunity to be creative;
- develop a range of skills that can be applied in other contexts; and
- give children the opportunity to try out activities that they would not otherwise have access to.

### Curriculum Focus of PE and Sport Premium spending 2022-23

Considering what we know about pupils' involvement and in sport at Columbia and our provision we have identified the following areas we would like to improve:

- extend involvement in sports clubs across KS2 so all children attend at least one sports club over the course of a year;
- develop staff expertise in PE teaching;
- extra support with PE in the EYU to develop gross and fine motor control; and
- give more children the experience of outdoor adventure learning.

### Nature of support 2022-23

This year we are using the grant to:

- increase the number and range of sports clubs;
- employ a specialist Sports' Coach to work alongside staff;
- deliver weekly PE lessons to children in Nursery and Reception:and
- increase our school journey offer to include year 5 (as well as year 6)

Target	Action	Baseline from previous year	Midpoint Review	End of Year
All KS2 children are able to access extracurricular sports activities.	Extra funding means all children in KS2 will attend at least one sports club during the year.	72% of children attended at least one sports club.		
Develop staff expertise in PE teaching;	Sports Coach works with all classes at least once during the year.	Sports Coach has worked with all classes in the school.		
Children in the EYU will be working at the expected level in Physical Development.	Weekly session with Sports Coach to support achieving this target.	Nursery: 73% at expected standard in gross motor, 77% at expected standard in fine motor Reception: 91% at expected standard in gross motor, 81% at expected standard in fine motor.		
More children have access to outdoor adventure learning.	Extend school journey to include years 5 and 6.	77% of children in Yrs 5 and 6 attended school journey.
